On November 30th 2007 Pabay issued a new stamp and cover which will coincide with the Royal Mail "Smilers" Glorious Scotland.

The Pabay "Smilers" stamp that incorporates the Scottish Definitive First Class Stamp shows the Pabay Post Box and the "Boat" Hut, that has been used as a fisherman's rest and also as a Radio "shack" by Andre Saunders GM3VLB during his visits to Pabay. The "Smilers" stamp is cancelled with special handstamp 10793, Kyle of Lochalsh. The photograph used on the "Smiler" stamp was taken by Eleanor Moore, to see the full range of her stunning photographs of Scotland and other locations go to her Web site at www.photosbyeleanor.com.

The new Pabay stamp (on the left of the First Day Cover) is a charming otter study by Pamela Budge of Croft Studios, Dunvegan. www.croft-studio.com. The Pabay Otter stamp is cancelled with the Pabay First Day of Issue handstamp.
