

Pabay Philatelic News issue 15

To coincide with the Royal Mail “Mayday” issue on 13th March 2008 the Island of Pabay has issued a new stamp and cover.

The Pabay stamp shows the Portree Lifeboat (image with permission from the RNLI) moored in Portree Harbour. The Portree Lifeboat is a Trent Class vessel that operates in all weathers. The Lifeboat ON-1241 was placed on service on 7th June 1996.

Pabay has made a donation to the RNLI to support this very worthwhile cause. For further information look at the following web site

Each First Day Cover, an issue limited to 155 covers, is individually signed by Dave Urquhart, Coxwain of the Portree Lifeboat, on behalf of the crew. Each of these covers is also authorised by the Island of Pabay.
