## New Cds from Pabay

Eleven CDs are now available from Pabay Marketing, that will be of great interest to collectors of Local Stamps.

## Stamp Catalogues on CD

The Island of Pabay (CD Sales) is now offering eleven volumes of stamp catalogues on CD's. These CD's have been compiled and edited by Ralph Phillips who, after many years of diligent research has assembled a wealth of, in many cases, hitherto unpublished information. All the CD's are in Word format and can be easily accessed by the majority of PC's. All the catalogues contain full colour images, details of the stamps and information on locations and issuing organisations.

All CDs are updated to July 2009.
